

When you become a Girl Scout, you make new friends and go on cool adventures. You learn about science, camping, cooking, and how to run your own business. You find your own voice and learn the value of speaking up.

This summer, come see first hand what Girl Scouts do at one of our open houses. With themes for every potential Girl Scout, pick the one that interests you most. We look forward to seeing you and your family this summer!

**All times are 6-8 p.m. unless specifically noted.**

**Kick Start Summer Theme:** Join us for the ultimate summer kickoff - the Girl Scouts Way! Play indoor and outdoor games, meet new friends, make fun projects, and plan your best Girl Scout adventure.
